ROUTINE REVIEW PROCESS 26 - 27

REVIEW PROCESS

Each team will receive a set of score sheets following their performance. If, after reviewing your score sheets, you feel your team was not scored appropriately in one of the following **eligible categories**, or an unwarranted deduction was assessed you may submit a review.

Please follow this process:

1. Complete a Routine Review Form. Forms must be submitted by the AccuScore end time shown in the upper-right corner of your scoresheets.
2. Turn that form into the Scoring Official at AccuScore.
3. Your form will be reviewed by the AccuScore Scoring Official, who will either honor or deny the request, based on that round's performance.
4. If honored, you will receive a new set of score sheets reflecting the change.

REMINDER: While reviewing any request, a Scoring Official may watch the routine in its entirety. Any additional infractions or scoring errors discovered will be assessed to the final score.
